1 Do more than what a TV lets you do

Content Guide

Enjoy a curated list of content across streaming platforms that's personalized to you.

Personal Computer Mode

Work from the cloud, mirror your laptop or remotely access your office computer.

Music System Mode

Play music with style. Turn your TV into a virtual music system.

Multi-Voice Assist

Quickly access your favourite content, get answers or control your TV by simply using your voice.

Auto Hotspot and Home Cloud

Connect to the internet through your mobile and save all your important data to the cloud. It's safe and saves a lot space.

Live Cast

Stream live moments from any remote location through your smartphone on your TV screen via the Internet.

Two-Way Sharing

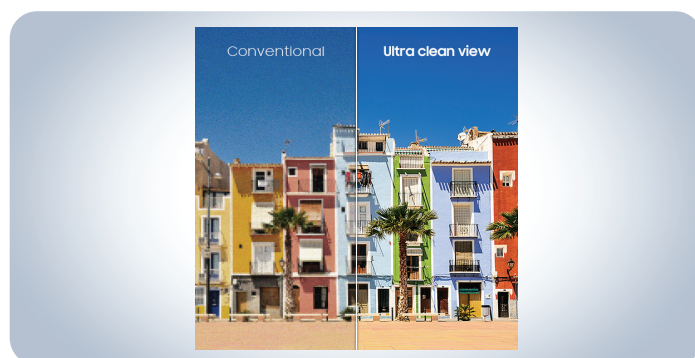

Enjoy mobile content on the TV screen. Your entertainment now follows you.

2 Magical picture experience

HDR

See more details even in dark scenes. The TV optimizes the picture to give you life-like pictures and a bright spectrum of colours.

Ultra Clean View

Get high quality images with improved details and less distortion.

Switch on a world of entertainment

With Samsung Smart TV, enjoy your favorite content across genres. Choose from thousands of free movies, TV shows, sports, music and news content from international and Indian partners.
