*Samsung is ranked No.1 worldwide for 8K TVs. Source - Omdia, Jan-2020. Ranking in terms of shipments. Results are not an endorsement of Samsung. Any reliance on these results is at the third-party's own risk.

1 The most immersive 8K experience

Real 8K Resolution

Feel the full power of 8K with 33 million pixels in every frame.

8K AI Upscaling

Upscale any content to 8K resolution regardless of the source.

100% Colour Volume

Each and every expression of colour becomes visible in everything you watch.

Adaptive Picture

Maintain optimum brightness and contrast levels with a TV that automatically adjusts to the lighting conditions of the room.

2 Realistic cinematic sound

Object Tracking Sound+ (OTS+)

Now sound will follow the motion in a scene. It's a rich and 3-dimensional audio experience.

Active Voice Amplifier

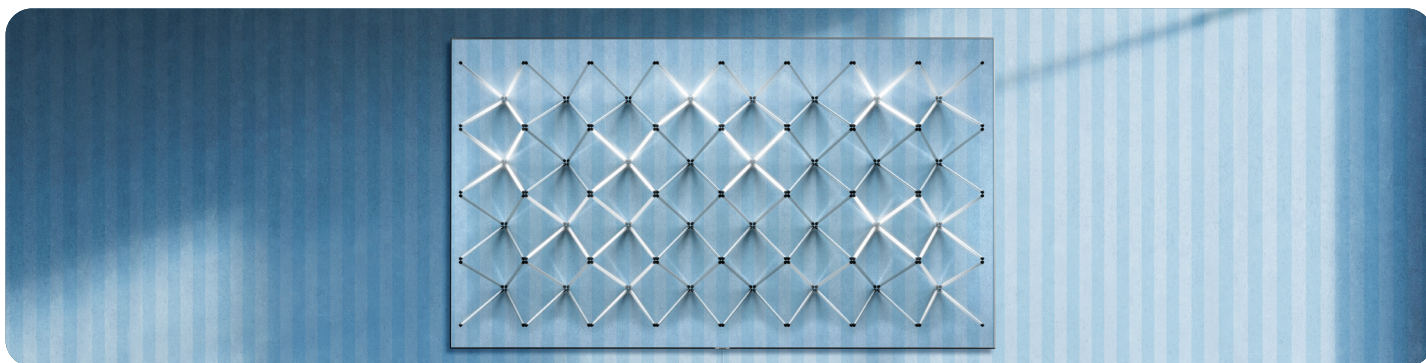

Scans the room for noise in real-time and enhances the audio, for optimum quality and clarity of voice.

3 There's more to minimalism

Infinity Screen

Experience immersion to a whole new degree with near invisible bezels.

Ambient Mode+

Watch your TV blend-in with your space, with skins that replicate your home décor.

The power of less

One Invisible Connection and No Gap Wall-Mount ensure that your TV looks as neat as it can be.
