<sup>1</sup> 1-year local onsite warranty inclusive of 1 year limited international warranty (part/labor/carry-in). <sup>2</sup> 2.2-year local onsite warranty inclusive of 1 year limited international warranty (part/labor/carry-in); 1-year limited warranty on primary battery. <sup>3</sup> 3-year local onsite warranty inclusive of 1 year limited international warranty (part/labor/carry-in). <sup>4</sup> Accidental damage is defined as physical damage to the product caused by or resulting from a fortuitous incident. Such incident coverage includes non-intentional liquid spills in or on the product, drops, falls, collisions and electrical surge. Accidental Damage Protection does NOT COVER theft, fire, loss, normal wear, consumables and intentional acts of damage or exclusions as details in the "Service Limitations". <sup>5</sup> Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams. <sup>6</sup> Laptops manufactured with recycled ocean-bound plastic material in product speaker enclosures, recycled aluminum material in product cover and post-consumer recycled plastic in keycaps. Percentage of material contained in each component varies by product. <sup>7</sup> Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT standard for computers, IEEE 1680.1-2018 standard. <sup>8</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Battery life tested by HP using continuous FHD video playback, 1080p (1920x1080) resolution, 200 nits brightness, system audio level as image default, player audio level at 100%, played full-screen from local storage, headphone attached or through speaker (if no audio jack port), wireless on but not connected. Actual battery life will vary depending on configuration and maximum capacity will naturally decrease with time and usage. <sup>10</sup> Bezel measurement is from the inside edge of the inactive area of the display panel to the inside edge of the PC casing. <sup>11</sup> Percentage of ocean-bound plastic contained in each component varies by product. Ocean Bound plastic is expressed as a percentage of the total weight plastic. Ocean Bound plastic is based on the definition set by the UL2809 standard. <sup>12</sup> Percentage of active plus nonactive viewing area to active viewing area plus border. Measure with lid vertical to the desk. <sup>13</sup> Features may require software or other 3rd party applications to provide the described functionality. <sup>14</sup> Based on U.S. EPEAT<sup>®</sup> registration according to IEEE 1680.1-2018 EPEAT<sup>®</sup>. EPEAT<sup>®</sup> status varies by country. Visit [www.epeat.net](http://www.epeat.net) for more information. <sup>15</sup> Laptops manufactured with recycled ocean-bound plastic material in product bezel and speaker enclosures, post-consumer recycled plastic in keycaps and scissors and recycled metals in A cover, C cover, D cover, sideband, hinge caps and keyboard supporting plate. Percentage of ocean-bound, post-consumer recycled plastic and recycled metals contained in each component varies by product. <sup>16</sup> Internet access required and not included. <sup>17</sup> All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. <sup>#</sup>Touch'n Go e-wallet Credits is valid until 1 year from the date of issue.
